-----------------	--

The above student has applied to attend a UWC school/college.

United World College (UWC) schools, colleges and programmes deliver a challenging and transformative education experience to a diverse cross section of students, inspiring them to create a more peaceful and sustainable future.

UWC has 18 schools and colleges across 4 continents all with distinctive characters but sharing the same mission, ethos and values.

Although strong academic achievement is valued highly at UWC, academic achievements are put into perspective with a demanding mix of community engagement, international affairs, physical activities and creative pursuits.

Our student intake is deliberately diverse and each of the schools and colleges draws together students from many different nations and backgrounds. Our bursaries, scholarships and fee structures aim to ensure a broad socioeconomic mix within the student body that adds value to the student experience and the organisation. Please go to <https://www.na.uwc.org/> for additional information.

Places are offered on a competitive basis. The UWC selection committee would greatly appreciate your comments on the applicant. Your frank assessment of the student would be invaluable.
